THE CONYERS BEACON

LET US ALL WORK ON READING OUR BIBLE THROUGH IN 2009. IF YOU NEED A COPY OF THE DAILY BIBLE IN CHRONOLOGICAL ORDER, SEE JIM SIMPSON

(Editor's Note: Brother McPherson left us with many pearls of wisdom. We've chosen to begin our New Year with this thought provoking article).

WHAT ARE YOU DOING TO MAKE A BETTER WORLD?

No thoughtful person will deny that the world needs changing for the better. There is a leaven of righteousness in society, or God would bring this world to an end. However, ungodliness and unrighteousness, like a deadly virus, is corrupting both men and nations, hastening the day of destruction. But this is not the time to wring our hands and look for a place to hide. We should awaken to the realization that we can do something to make a better world.

The place to begin is with yourself. You cannot make others do right, but you can do something about yourself. When you bring your life into harmony with God's Will, you set an example and exert an influence for good upon others. It is impossible to encourage others to do right unless you are practicing what you preach.

If you long for a better world, do your part in making the Church all the Lord desires it to be. The Church is the custodian of the Gospel, God's power to save. It must be kept pure and guarded against all error; a perverted Gospel cannot save the world. It is the duty of every Christian to encourage and support the elders in maintaining the purity of the Church. As overseers, they take the lead and *you back them up*.

The Church is a missionary society, the only one God recognizes. It is under orders from Christ, its Head, to teach all nations. It is the whole duty of the whole Church to teach the whole Gospel to the whole world.

Get to Know us Better

Matthew 28:19,20 says "Go therefore and make disciples of all the nations, baptizing them in the name of the Father, and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age". (NKJV)

The Church of the Lord Jesus, pure in faith and practice, fervent in evangelism, is the only hope for a better world. The Church of the First Century, even under the fires of persecution, preached the Gospel to the known world and struck a death blow at idolatry, slavery and the degradation of women. The hope of the world has always been in its minorities. If New Testament Christians would re-dedicate themselves to the spread of New Testament Christianity, our prayer for a better world would be realized.

W. D. McPherson
