THE CONYERS BEACON

READ YOUR BIBLE THROUGH IN 2009

The year 2009 marks the 20th year that the Conyers congregation has encouraged each of its members to read the entire Bible using the "Daily Bible in Chronological Order".

Reading the events of the Bible in chronological order is very helpful in understanding the Bible message. If you need a copy of the "Daily Bible in Chronological Order", see Jim Simpson who will order copies of the Bible.

We have visiting brothers to pray for them, because they have many childrens sick. C. We did worship in the home of Sister Isabel Casco, she is an old lady that was sick and can not join with the church, we prayed with her, and she was very happy, she can not walk; we pray for her.

This was the average in attendance November

IV. SUCCESS:

A. In our country the situation every day it comes more difficult because the people had lost their cultivation of corn because the inundations and then, their cultiVation of beans because of the drought, we had no water During November, all we in Olancho are preocupated because we are going to have serious problemas with food next year.

Get to Know us Better

B. We visited a family that was damaged, we gave them food (the church) they were so glad with the gift we studied the Bible, we encouraged them to study the Bible and to look at God. You can imagine the situation of this family, first thing is that the are a couple of old persons, the wife is blind, just have a son that who is take care of them, they live in extreme poverty they had a hut almost three feets, so they are so near to the thick wall and in a new flood this hut will fall, the house is so bad, they have not a place to go, this case broke our hearts.

I say thanks for the gift you sent, I will try to do the best to help.

C. This month my wife and I travelled to Las Cabas to assist in the velatory and burial of the wife of the preacher of La Union Olancho brother Alcides Ortes. He was proposed for support to preach in La Union, and so we get the sustain, and is a pity he lost his wife, she is dead from child birth.

FAMILY REPORT

Carmina continue with her treatment, doctor say she needs to relax and so the medicine can do effects, I use to be near to her But, also this month we had problems with Wilmer, our son, he came so sick, he was internal one day in a private clinic, but because he does not comes better, we went to the hospital in Juticalpa, he stayed there for five days, the situation was terrible, his plaquets came down he just had 4 plaquets so his terrible situation, Doctors had a bas prognostic, in moments they said the most probable thing is that he will lost his life, all this troubles made that Carmina had depression, and comes sick, she did eat, only crying, so I get sick too, but mine it was a bacterium in my stomach, I have medicine and I am doing better, so is Wilmer now is in home and is coming better. The only thing with me is that my treatment is very strong and some times can not drive because the vertigo. This is all for now brothers and sisters. So long. Your servant in Christ.
