THE CONYERS BEACON

“ In Him we have redemption through His blood, the forgiveness of sins, according to the riches of His grace which He made to abound toward us in all wisdom and prudence, having made known to us the mystery of His will, according to His good pleasure which He purposed in Himself, that in the dispensation of the fullness of the times He might gather together in one all things in Christ, both which are in heaven and which are on earth—in Him”.

Ephesians 1:7-10

Go into all the world and preach the Gospel to all creation. He who believes and is baptized shall be saved, he who disbelieves will be condemned.

Monthly Newsletter ~ March 2017

We are already a quarter of the way through 2017. It has been a busy, but productive three months. The students at ACSOP have already had 3 short courses, and are almost finished with the first quarter classes. It is a little hard for them to get into the new routine of studying and getting assignments done, but they will catch on quickly. March has been a trying month for us in several ways, but we are still blessed beyond what we deserve.

Many studies are continually under way and all at different stages. Haley and Susan go to the Meru area on Tuesdays and study there. Wes, Mason and I have been going to the Kwa Morombo area, Meru area and Karatu area. These all have been very fruitful studies. The evangelism efforts in March resulted in 19 new brothers and sisters in Christ.

One thing we have been really enjoying is going to Karatu, which is about 2 hours away, and visiting our brother Jeramiah. Jeramiah graduated from ACSOP last November and has since moved back home where he has been running the Imani Foundation for 8 years. The Imani foundation is two-fold.

One, it is an orphanage and he currently has 6 children living there with him and his wife. It is also a vocation in that he has a lady that teaches women to sew. This enables them to get off the streets and learn a trade so they can work in this field. Many times these women can't find work and so they sell themselves for money resulting in pregnancies and unwanted children. This foundation teaches 10 women at a time to learn this trade. This class will be graduating on June 15th. There are always plenty of Bible studies set up while we are there also.

Another aspect to this work is in the school system. There are two schools that are allowing us to go in and teach the Bible to the students. Haley and Susan are especially excited about this. Also, in one of the schools, they do not have enough teachers and are short-handed, so they are looking into teaching other subjects as well as Bible. It is amazing to us how different the education system is here. We hope and pray that we can help in any way we can. Most importantly we are going to teach Bible to these students.

This is a picture of Jeremiah and the Headmaster of one of the schools Susan and Haley will be teaching at.

Our Children's Seminar was held in Kwa Morombo this month and it was a great success. Rarely do we have a children's seminar that doesn't turn out nice.

These children are so precious and we are so thankful to be a part of their lives. We are so blessed.

Although we have many trials this month, we still see how blessed we are. We are not only blessed by the beautiful people here, we are also blessed to have everyone involved in helping in this work.

We thank God daily for using you and us in His service. We couldn't be here without your love, prayers and help.

Total baptisms from our team of five stands at 153.

It is our prayer that one day some of you will be able to visit us and experience this great work with us.
